

KNIGHTS OF COLUMBUS

IN SERVICE TO ONE. IN SERVICE TO ALL.

Vocation - a calling or summoning - God's invitation to love and serve Him and His Church in a particular way of life:

Priest, Sister, Nun, Brother, Monk, or Married Person.

Priest: He is an ordained member of the clergy who attended 6-8 years of seminary, which is a place to study theology, scripture, liturgy, pastoral care, and other subjects to prepare to serve the Church.

Sister: She is a bride of Christ chosen by Him to love Him and serve His Church like His Mother Mary as a virgin and spiritual mother. Sisters live in religious communities and serve however their superiors decide is best, depending on their talents.

Marriage: When a baptized man and woman get married in the Catholic Church, their marriage is considered a Holy Sacrament. It means that their love and commitment to each other are blessed by God. His love helps the couple to be loving and kind to each other every day.
