

TEACHER WORKSHOP

WITH VOCATION MINISTRY

Vocation Ministry's informational and fast-paced workshop inspires educators and provides hands-on tools to create vocation-friendly classrooms.

Any time after our signature principal workshop, the teacher training, typically 1.5 -5 hours in length, takes place. Depending on the length, this can include Q & A and a breakout session by grade level (Pre-K-5th), discipline (6th-12th grade), and staff.

"I left feeling like this was something meaningful I could do to help our children, our diocese, and our Church."
