

PRIEST & PARISHIONER WORKSHOP

WITH VOCATION MINISTRY

PRIEST WORKSHOPS:

Vocation Ministry provides workshops to inspire priests to become vocation promoters in their own parishes. Our speaker presents 3-7 sessions during a convocation or 5 hours during a separate priest gathering. The priests then ask 2-5 parishioners to a subsequent parishioner workshop to learn the nuts and bolts of parish vocation ministry.

PARISHIONER WORKSHOPS:

Vocation Ministry seeks to have every parish in a diocese praying for and promoting vocations. Our fast-paced and informative workshop inspires laity to create a vocation-friendly environment.
